California Fire Code Chapter 57 Matrix Errata

The 2016 California Fire Code Supplement did not contain the updated matrix for Chapter 57. The corrected matrix indicates that the Office of the State Fire Marshal does not adopt section 5707 for On-Demand Mobile Fueling. The Office of the State Fire Marshal brought the Mobile Fueling section from the 2018 International Fire Code early to allow the local fire authorities the discretion to adopt it through local ordinances. The matrix for chapter 57 should be as follows:
